Celebrating 80 Years of Ice Cream

Representative Kate Hogan was delighted to join local officials and constituents to help celebrate Erikson's Ice Cream's 80th anniversary. Over the years, the family business has become an institution in Maynard, continually giving back to the community by donating ice cream and gift cards, sponsoring youth sports teams, and hiring local students to work in the store. Residing only a short drive from Erikson's, Rep. Hogan is a fan and frequent customer of the beloved ice cream stand— during the summer months, she visits almost once a week for a scoop of her favorite flavor, coffee.

At the event, Rep. Hogan presented the Fraser family with a legislative citation and resolution, signed by herself and Senator Jamie Eldridge. The resolution reads, in part: "Erikson's Ice Cream's impact on the local community cannot be measured solely by the number of years in business, nor by the number of jobs created, nor by the number of ice cream cones sold, but rather by the enjoyment experienced by each and every customer who frequents the shop and revels in the very warm welcome and commitment to excellence that has propelled the business to success over the past 80 years."
