Maynard basketball champions visit the State House

Representative Kate Hogan (center) joins Maynard High School Assistant Principal & Athletic Director Kevin Caruso (far left), Maynard High School Boys Basketball Coach Paul Howes (far right), and the Maynard High School Basketball Team on the Grand Staircase of the State House.

Representative Kate Hogan and Senator Jamie Eldridge hosted the Maynard High School Boys Basketball team at the State House on June 7th to celebrate their victory in the 2017 Division 4 State Championship. The team took a tour of the State House, enjoyed a pizza lunch, and received a citation honoring the players and coach for their accomplishment. Rep. Hogan then brought the team onto the floor of the House of Representatives, where they were formally recognized by Speaker of the House Robert DeLeo. Congratulations on your win, boys!
