Representative Kate Hogan, Representative Harold Naughton, and Senator Jen Flanagan hosted the Nashoba Regional High School hockey team and coaching staff at the State House on May 25, 2016 to celebrate winning the MIAA Division 3A State Championship in 2016 for the second year in a row. Rep. Hogan and Rep. Naughton brought the champions onto the floor of the House of Representatives, where they were formally

recognized by the Assistant Majority Leader Paul Donato, then Sen. Flanagan gave the team a tour of the Senate chamber. The Chieftains enjoyed a pizza lunch with the legislators and were presented with a citation honoring the players for their accomplishment.
