

Dear Representative Kate Hogan,

The Veterans Council of Hudson Massachusetts wishes to extend its heartfelt thanks for your continuous assistance and support. Since your first term in office and subsequent terms thereafter, you have always been our staunchest ally in veteran matters. We have the upmost respect for you and your staff and know deep in our hearts that the veterans in your district of Hudson, Maynard, Stow and Bolton are well represented.

We cannot recall a time when you haven't fully supported the needs and requests of our veterans. The calls for a veteran in need have always been a primary mission for you. Whether it is a recent war veteran having readjustment issues, an underemployed veteran seeking assistance, or a veteran benefit inquiry for an ill widow seeking VA Aid and Attendance, you have been a key leader. You are our link to Beacon Hill and Capitol Hill and when we need answers to hard questions or delays, you have been our safety net as you effectively collaborate with others in Congress on our behalf.

In regards to specific local events, there has never been a time when you did not support our active duty, National Guard and reserves, veterans and their families, and our local Veteran Service Officers of the towns in your district. You are our key note speaker at our Memorial Day and Veterans Day parades and give us hope, encouragement, and praise. You have sponsored local forums to address our problems and needs and offer viable solutions to ensure a higher quality of life for all of us to enjoy. And you have never refused or backed down from fighting for our rights as American citizens.

While others may see you as a politician, we in the veteran community see you as our friend and fully support you as you have supported us for so many years.

Sincerely,

American Legion Commander

AMVETS Commander

Veterans of Foreign Wars Commander
