

Representative Kate Hogan's Constituent Questionnaire

1. Do you support Charter Schools in the Commonwealth of Massachusetts?
 - a. Absolutely, every student should be able to attend one if they want to
 - b. Only if they do not funnel money away from traditional schools
 - c. No, they provide an unfair advantage to a lucky few

Comments:

2. What is the environmental issue that is most important to you at this time?
 - a. Conservation—we need to preserve open space and our state's natural beauty.
 - b. Alternative energy—we need to wean our society off foreign oil.
 - c. Local/Organic/Sustainable Food—a solution that helps both our health and our environment.
 - d. Green jobs—our economy can and should grow as our impact on the planet shrinks.
 - e. Climate Change—it affects everything and everybody.

Comments:

3. I would be most likely to support a tax increase if it were dedicated to funding
 - a. Education
 - b. Transportation
 - c. Health and Human Services Programming
 - d. I would not support a tax increase

Comments:

4. What is your biggest concern as a citizen right now? What is the issue that is most important for you?

5. Do you support the legalization of casino gambling in Massachusetts?
 - a. Yes
 - b. No
